

## **BD Covid-19 Competition Details for Competitors**

During this period, Vale View will be following Government and British Dressage guidelines. Details of these are as follows and must be followed at all times .....

Riders may only be accompanied by one other person with one additional person for every additional horse entered. Please follow our horse one way system at all times. No spectators at all

All entries and payments to be completed online in advance for the show date.

No prize-giving will take place on the day and all results will be posted online, plus they will be available to view from the Windows in the Restaurant after each class has been completed. Prize money will be refunded via the entry system and will go back onto the method of payment.

Score Sheets can be collected on the day from the 'Nags Essentials Shop' or you can leave a Stamped Addressed Envelope with your tests written on the back with the office and we will post after the show has finished.

Tacking up to take place within your lorry area only. No horses to be tied up outside lorries. No cars to be parked in Lorry park.

We will have 2 outside warm up areas, this is in the Top Outdoor Arena and Middle Outdoor Arena. There is a limit of 6 people at any one time (including a steward). The warm up arenas are not to be used for cool down. Return to lorry parking area to untack.

Social distancing should be adhered to with between 1-2m between members at all times. Members should wash/sanitise hands regularly. We have sanitising stations throughout the centre. We advise that the use of face masks and gloves to be used.

Our on site catering is open for take away foods only. Social distancing must be maintained throughout the purchasing and consumption of any food and drink. There is a one-way system operating throughout the main building incorporating the WC's and restaurant. Please follow these guidelines. Our WC's will be cleaned on a regular basis. Members should follow suitable hand washing protocol. We would advise any member who has their own toilet facility within their horsebox to use their own as preference.

We advise that all visits should be recorded, including petrol stations and any other places visited, to allow for tracking if this is necessary in future.

We at Vale View would like to say a big thank you to all of you for your support, patience and understanding during this difficult time and we hope that you are looking forward to the Area Festival as much as we are looking forward to seeing you here and wish you all lots of luck.

The restaurant (under new management) will be open during the competition for takeaway hot and cold food.

**Results** can be viewed outside the restaurant on the window

Nags Essentials (Tack Shop upstairs) will also be open during the show

**Results sheets** can be retrieved from the Tack Shop at the end of the Class

*Due to Covid Restrictions there will be no Arena Walks or Prizings*
